Rec'd 2/19

Dear Mr. Dugandzic:

This letter is in regards to the Tyson's Dump Superfund Site cleanup located near King of Prussia, Pennsylvania.

I am enclosing the following documents for your review and comments:

a. "Draft" Request for Proposal letter and Sampling Plan for additional drilling and sample analysis at the Tyson's Dump Superfund Site.

b. "Draft" Scope of Services for the Design of the Construction/Cleanup of the Tyson's Dump Superfund Site.

Please forward comments on the "Draft" Drilling and Sampling Plan by February 25, 1985. The proposed drilling and sampling analysis cost estimate (including inspectors, contract supervision and administration and contingencies) is \$80,000. Please forward the funding for the drilling and sampling analysis as quickly as possible. This drilling and sampling analysis information is needed in the preparation of the plans and specifications for the cleanup of the Tyson's Dump Superfund project.

Please forward comments on the "Draft" Scope of Services by March 1, 1985. If you have any questions or comments, please contact Mr. Randy Petersen of my staff, Telephone: (402) 221-3078 or FTS: 864-3078.

Sincerely,

*Robert F. Smart*
